## Background information on the Committee on NGOs

The Committee on Non-Governmental Organizations is a standing committee of the Economic and Social Council (ECOSOC). It reports directly to ECOSOC, and the two reports of its annual regular session (usually at the end of January) and resumed session (in May) include draft resolutions or decisions on matters calling for action by the Council. ## Online Access to Documentation of the Committee

Online access to the documentation of the Committee (the “Paperless Committee” system) is restricted to members of the Committee.

Since the information posted online through the Paperless system contains detailed administrative and financial information about the applicant organizations, official documents that pertain to applications from NGOs and reclassification of status for NGOs in consultative status are therefore considered restricted documents. Summaries of quadrennial reports by NGOs, as reflected by the document numbers indicated in the text are freely available without access restrictions, from the Official Document System of the United Nations: <http://ods.un.org>. Documents can be retrieved by typing in the document number.
